SPECIAL NOTE

The provisions of this Scheme of Service are subject to periodic review by the Board. All circulars, directives, notices, orders and other documents amending, deleting, or giving further details and/or explanation to the provisions of this Scheme of Service shall form part of them and shall be equally binding.

1.0 VISION, MISSION AND OBJECTIVES

The Vision, Mission and Objectives of the National Agency for the Control of Aids (NACA) are as follows:

Vision:

“To be a cutting edge organization in the coordination, policy research, monitoring and facilitating of HIV&AIDS interventions in Africa”.

Mission:

“To continuously undertake and facilitate the coordination of programmes to contain the HIV/AIDS pandemic in Nigeria through planning, M & E advocacy and resource mobilization”.

NACA’s functions include the following:

1. Coordinate and plan identified multi-sectoral HIV&AIDS activities of the National Response;
2. Facilitate the engagement of all tiers of government on issues of HIV&AIDS;
3. Advocate for the mainstreaming of HIV&AIDS interventions into all sectors of the society;
4. Develop and periodically update the Strategic Plan of the National Response Programme;
5. Provide leadership in the formulation of policies and sector-specific guidelines on HIV&AIDS;
6. Establish mechanisms to support HIV&AIDS research in the country;
7. Mobilize resources (local and foreign) and coordinate its equitable application for HIV&AIDS activities;
8. Develop its own capacity and facilitate the development of other stakeholders’ capacity;
9. Provide linkages with the global community on HIV&AIDS; and
10. Monitor and evaluate all HIV&AIDS activities.

The need for NACA to efficiently and effectively carry out these functions underscores the need to put in place a well motivated system characterized by a smooth and institutionalized career progression and succession plan. An instrumentality of achieving this is the establishment of a worker-friendly Scheme of Service.

2.0 GRADING STRUCTURE

This scheme of service addresses issues relating to the career specifications and progression of all members of staff of NACA. In developing this Scheme of Service for NACA, relevant public documents were reviewed and discussions were held with relevant officers in institutions responsible for the development of the Public Service Scheme of Service.

For it to serve as a career guide and a tool of career progression, the following broad steps were undertaken:

- i. All members of staff were aggregated and classified into **CADRE**, with each cadre comprising officers that perform similar or professionally related functions;
- ii. Each Cadre is disaggregated into posts (i.e.) with associated salary grades (and not the raw salaries) attached to each post;
- iii. The duties for the posts are indicated (i.e. the broad functions to be performed and not the detailed Job descriptions);
- iv. The posts are arranged cadre by cadre and from the lowest post of Clerical Assistant on CONRAISS 2 to the highest post of Director on CONRAISS 15;
- v. All cadres are in accordance with the Public Service provisions.

To ensure smooth career progression and succession plan, the entire work structure is categorized into four broad groups, namely the Executive category (CONRAISS 15), Directorate category (CONRAISS 13- 14), Senior Staff category (CONRAISS 06 - 12) and Junior Staff category (CONRAISS 03- 05) levels. The Grading Structure is as indicated below.
